

ROTARY CLUB OF GEORGETOWN

Weekly Bulletin # 13 2015-2016

Rotary Club of Georgetown Meeting of 23rd Sept 2015

We Missed you...This is What You Missed!

From the Desk of the Secretary

- We were happy to welcome back Rtn Alvin but quite a few excuses were received as Rotarians were travelling.
- President Liz reported on her visit to the President's Meeting in Antigua. She was very happy with Part 1 where they really expanded on the foundation and principles of Rotary. She recommends any incoming President to go before they assume the office of Presidency.
- Our guest speaker was the Chief Librarian Ms. King from the National Library. She did a presentation showcasing the National Library and the 5 Branches. Their Mandate is promoting Literacy which overlaps one of our area of focus hence our keen partnership.
- The Library serves in a Public & National Capacity, They currently have 17 Computers as internet takes over but they still need more assistance as they receive limited contribution from Gov't which has not been increasing over the years.
- PP Clyde announced that the Annual Retro Dinner and Dance will be on Saturday October 17, 2015 from 8 pm at the tennis court of Rtn Sam Barakat (Le Ressenouvir, E.C.D) Tickets are available at \$ 8,000 each and based on the last Retro Dance, Guests will be allowed to bring any alcohol they prefer. The theme this year is "Back to the Future...Rolling with the 90's". There will be special prizes for best costume, dances etc.
- A Satellite Meeting was set for Friday 25th September at the New Thriving from 7pm with Karaoke singing to be the highlight. The location was Upper Brickdam opposite the palms.
- In celebration of World Polio Day, our club will be doing a Polio walk on Sunday 25th October 2015. We will be starting at Georgetown Club at 7am and will finish there for a mimosa breakfast. Polio Red Shirts and caps will be on sale.
- Fill in Sarg PP Aubrey tried his best to fine Rotarians but the low turnout made it difficult to keep up the \$10k target set.
- Attendance at meeting was a very low 42 %.
